[Jason Langridge - Tech·Ed EMEA Speaker](#) - 03-Nov-2008

Be a part of the conversation and watch Brad Anderson kick start Tech·Ed EMEA IT Professionals with his keynote presentation. Hear how changing business conditions have affected IT priorities today and what IT professionals can do to leverage Microsoft solutions to drive their agenda forward. With a focus on Microsoft's Dynamic IT initiative, Brad discusses how IT leaders can reduce costs, increase IT innovation and deliver new capabilities to the business through optimizing IT processes and technology infrastructure.

[Brad Anderson gives the Keynote at Tech·Ed EMEA IT Professionals](#) - 04-Nov-2008

Be a part of the conversation and watch Jason Zander kick start Tech·Ed EMEA Developers with his keynote presentation. Jason discusses what the team is doing as the leader of the Visual Studio division at Microsoft to make a developer's job easier with Visual Studio 2010, the next release of the market leading Visual Studio toolkit, and provides extensive examples with Visual Studio 2010 demonstrations.
